CANDIDATE FOR CONGRESS

Samuel S. Arentz, mining engineer from Simpson, Lyon county, Nevada, who has announced his candidacy for Congress on the Republican ticket is a recent arrival in Tonopah and is renewing old acquaintances and meeting the voters of this section in the interests of his candidacy. Mr. Arentz has been mining lead, zinc and silver ores in the southern part of this state for the past five years, with the exception

SAMUEL S. ARENTZ
Republican Candidate for Congress

of the time spent in the U. S. army.

Mr. Arentz has never held political office and has been prevailed upon by his many friends throughout the state of which he has been a resident for the past fourteen years to make the run for Congress. Having decided to make the run he has started his campaign with his usual energetic methods that have characterized his work as a mine operator, railroad builder and consulting engineer. He will make two complete tours of the state between now and the primaries on September 7th. As he already has a host of friends and acquaintances throughout the state from his many years as an engineer and mine operator, this will insure his personally meeting nearly every voter in the state.

AMUSEMENTS

CUTEST STAR ON THE SCREEN
AT THE BUTLER THEATRE

A wholly delightful and pleasing play in "Nurse Marjorie," in which Mary Miles Minter appears as the star at the Butler theatre today. The combination of star and story is a particularly fortunate one, and in a dainty nurse's uniform, Miss Minter is more bewitching and prettier than ever.

Miss Minter plays the role of Nurse Marjorie. She is the daughter of a proud and aristocratic family who turns to useful work to the consternation of her family, and of Lord Fitzgibbon, her fiancée, whom her family has selected for her. At the hospital she is placed in charge of John Danbury, a leading member of Parliament who has undergone an operation of his eyes. A love affair swiftly develops, and amusing situations come quick and fast as Nurse Marjorie carries out the fiction that she is the daughter of a fishmonger and leads Lord Fitzgibbon and Danbury in hot pursuit of her to the humble neighborhood where she says she lives. The production is mounted in a most lavish and capable manner. The story is an adaptation of Isral Zangwill's play.

Tomorrow, Big Bill Russell in "Leave It to Me," the romance of a rich young man, also a Fox Sunshine comedy "His Naughty Wife"

Location books in triplicate now ready at The Bonanza office.
